

Spring 2017

CHEMISTRY DEPARTMENT

Having Trouble Registering For Chemistry Courses?

Please visit our website at <http://chem.rutgers.edu/> to receive information regarding registering for chemistry courses. You will find answers to questions regarding special permission, pre-requisite problems and what to do if a course is closed. You may also visit Ms. Render in Room 143 (Wright Labs) for assistance with registration issues.

COURSE / NAME		REGISTRATION INFO
160: 127/ 128	Impact of Chemistry/ Chemistry of Life	If you are a senior (graduating May 2017) and you need this course to graduate, please email Ms. Render at undergradinfo@chem.rutgers.edu to be added to the waitlist by 1/6/17.
160: 160	General Chemistry II (Engineers)	If the course is closed, special permission is not available. Check the Online Schedule of Classes for openings. If you need assistance with registration, please email or visit Ms. Render.
160: 161	General Chemistry I	Special permission is NOT available. Please check the Online Schedule of Classes for openings.
160: 162	General Chemistry II	Special permission is NOT available. Please check the Online Schedule of Classes for openings.
160: 164	Honors General Chemistry II	Students who took Chem 163 during Fall 2016 can register for this course via WebReg. Email Ms. Render at undergradinfo@chem.rutgers.edu if you need assistance or would like to request a special permission number to add the course.
160: 166	General Chemistry II (GEMS)	Please contact SEBS at 848-932-3738 to request a special permission number.
160: 171	Introduction to Experimentation	Special permission is NEVER available for this course.
160: 251	Analytical Chemistry	Special permission is NOT available. Please check the Online Schedule of Classes for openings.
160: 307	Organic Chemistry I	The course is full, and special permission is NOT available. Please check the Online Schedule of Classes for openings.
160: 308	Organic Chemistry II	Special permission is NOT available. Please check the Online Schedule of Classes for openings.
160: 309	Organic Chemistry Lab	Special permission is NOT available. Please check the Online Schedule of Classes for openings.
160: 311	Organic Chemistry Lab	Special permission is available on a limited basis, email Ms. Render at undergradinfo@chem.rutgers.edu to be added to the waitlist by 1/6/17. After this date special permission is not available. Please continue to check the Online Schedule of Classes for openings.
160: 316	Honors Organic Chemistry II	Students who took Chem. 315 Fall 2016 can register for this course via WebReg. If you need assistance with registration, please email or visit Ms. Render.
160:329	Experimental Physical Chemistry	Waitlisting is available on a limited basis, please email Ms. Render at undergradinfo@chem.rutgers.edu to be added to the waitlist by 1/6/17.

***Non-traditional students and students seeking pre-requisite overrides, please email (undergradinfo@chem.rutgers.edu) or visit Ms. Render in person.**
